

Introduction to Liverty

As DCH and Knightstone, we've been neighbours for years, and now we live and work together. Liverty is a leading developer of housing in the south west. From the shores of Cornwall to the Gloucestershire hills, we have combined rock solid foundations with the scale and vision to build real social change in our region, one front door at a time.

Through the stability of good housing, we place better living for better lives at the centre of our mission both today, and for generations to come. At Liverty, we believe in a home for everyone.

What is Shared Ownership?

Shared ownership offers you the opportunity to purchase your own home: By investing in us, we'll invest in you. Pay what you can raise for a share in one of our properties, and we will give you a lower than market rent and the ability to buy more shares as and when you can, helping your home ownership dream becomes a reality.

How to apply

In two easy steps you can be on your way to owning your own home.

Step 1: Apply for a financial assessment. Find more information on how to do this in our application pack.

Step 2: Register with Help to Buy South for the area you wish to live in, by calling them on 0800 456 1188 or visit www.helptobuysouth.co.uk

Help to Buy South covers Bristol, BANES, North Somerset, Mendip, South Gloucestershire, Gloucester, and Wiltshire & Forest of Dean.
