St Thomas a Becket Scarecrow Competition and trail

To raise funds for our village church

Sunday 30th April and Monday 1st May 2017

St Thomas a Becket Church invites all organisations and residents in Pucklechurch and the surrounding villages to make scarecrows and place them in prominent positions in gardens around Pucklechurch. There is no charge for entering a scarecrow.

We warmly invite you to attend Café Church at 10am on Sunday before the trail starts.

This year's theme is ***SOMEBODY BEGINNING WITH S...***

To enter please ring the co-ordinator on 01179 373262 or e-mail info@pucklechurchscarecrow.co.uk with the following information:

- Details of the character you have chosen.
- A clue - either simple or cryptic to help people guess the scarecrow's identity.
- Your name, address and telephone number (so we can tell you if you have won and also make a map of the village.)

The closing date for entry is Friday 7th April.

There will be one prize for the best scarecrow as voted by the public who take part in the trail. Please label your scarecrow if it is made by a child or children. There will also be a 'lucky dip' draw from all the entrants to select another prize winner.

Please take your scarecrow in overnight to stop it catching cold or running away! But please leave it out until 7pm, weather permitting.

If you live outside the village and have difficulty finding a garden in which to place your scarecrow, please mention this when entering your scarecrow and we will find a location for it.

The Trail

On the 30th April & 1st May, everyone is invited to take part in the scarecrow trail to identify the scarecrows and enjoy chatting with friends, family and neighbours as you go around. There is a cash prize for whoever correctly identifies the most scarecrows. The winner will be notified during the week of 1st May.

Trail entry prices:

Children under 16	£1.00	Adults	£2.00
Family ticket	£5.00

A basic scarecrow design to get you started.

- To make the scarecrow frame, nail a 2' long , 2" x 4" pole to a 6' long 2" x 4" pole to form a cross.
- Dig a hole 1 foot deep, place the frame inside and back the soil firmly around the frame.
- Use a pillowcase for the head, or make one using papier mâché. Attach to the top of the pole either with twine or through the hole in the base of the head you have made.
- Dress your scarecrow as your chosen character. Tie trouser legs closed with twine and stuff with newspaper. Put the shirt/top on the frame and tie sleeves and waist with twine, stuff with newspaper.
- Add any finishing touches to get your scarecrow in character!
- Label your character with the number issued to you and add the clue.

We are pleased to advise that St Thomas a Becket follows safeguarding procedures.

Have fun and thank you for your support!
